2. Applicants' remark has been considered.

***Allowable Subject Matter***

3. The following is an examiner's statement of reasons for allowance:

Claims 1-13 are allowable over the prior art of record because none of the prior art whether taken singularly or in combination to teach the claim combination as recited, especially when these limitations are considered within the specific combination together, particularly in part of combination of duplicating the block data such that a hypothetical block representing the block data covers an area to be measured of the surface of the workpiece which is projected onto a hypothetical space, depending on the selected basic shape type and the length and /or the height of the workpiece and measuring the surface based on the duplicated block data.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
